INTRODUCING THE KAIKŌURA ART TRAIL

Kaikoura District
creative
COMMUNITIES *nz*

Kaikōura Art Trail is an online directory which has been created to give local artists a platform to promote their work, share their contact details and celebrate their skills & creativity.

The vision is to encourage visitors to discover the Artists and Creatives located throughout the Kaikōura region, and to see where to find their work.

The mission is to support our local artists by providing a space to promote themselves, or their business, and create awareness and inspiration.

The Kaikōura Art Trail is a work in progress, and with your support, can create yet another reason to visit Kaikōura.
